**Subject:** ND State Land Dept. Info-May Sale Location and Time

Please note the following changes to scheduling for our May 2010 sale. The Williston Basin Petroleum Conference and Expo concludes Tuesday, May 4, 2010 at 1:30 PM. Because we expect that some of our bidders may want to enjoy the Expo, and because preliminary numbers indicate that the May sale will include more tracts and acres than our February sale, which ran approximately 7 hours, we have split the May sale into two days beginning Tuesday afternoon and resuming Wednesday morning. See the schedule shown below and note that the sale on Tuesday will stop for the day after Golden Valley county tracts have been offered. It is anticipated that the sale will conclude in the early afternoon on Wednesday.

If attending the Expo, Tuesday morning (until Noon), you will be able to pre-register for a bidder number for the sale at the Land Department's booth (#41). Bidder registration will also be available at the sale location on either day.

The sale list will be released on Monday, April 5.
