Subject: ND State Land Dept. Info - INTERNET AUCTION - ND STATE LAND DEPT POTASH LEASES
Attachments: ND_Potash_Press_Release_4_2011.doc

The State of North Dakota, acting by and through the Board of University and School Lands, gives notice that on April 26, 2011 at 10:00 AM CDT, it will make available acreage for lease in Burke County, North Dakota to extract potash and associated subsurface minerals. The auction will be conducted exclusively via internet at: <http://gov.energynet.com/nd/potash/2011/04/>. (See attached *EnergyNet* Press Release)

The two week due diligence and bidder prequalification period for the upcoming potash lease auction has begun. The sales group is posted on <http://gov.energynet.com/nd/potash/2011/04/>. This internet auction will begin at 10:00 AM CT on the 26th of April and will run for one week.
