Subject: ND State Land Dept. Info - August 2 ND Oil and Gas Lease Sale

As we have done for the past several auctions, audio of Tuesday's public auction of oil and gas leases will be streamed from the Energy Center location, however it should be noted that a recent software update has left us with an unexpected and unfortunate 9-second delay in broadcast. Please plan accordingly.

The sale location offers wireless internet, but electrical access will be limited. With the expected brevity of the sale we don't anticipate that presenting much of a problem.

Sale Information:

9:00 AM CT, Tuesday, August 2, 2011

Bismarck State College Energy Center of Excellence:
