Subject: ND OG Lease Sale - Recent Updates and Compiled Changes
Attachments: Compilation of Changes.xls; Complete new PDF List.pdf; Complete new Excel Spreadsheet.xls

There have been a significant number of changes to the sale list as published on January 9. In addition to new developments, there have also been changes to changes. Specifically, on February 2 we released information referencing changes to lease numbers related to added tracts – those changes are no longer relevant.

Please refer to the following three attachments for information related to the February 7 sale.

1. Compilation of Changes – Shows additions, deletions and modifications to information as presented on January 9
2. Complete new PDF list (includes all updates)
3. Complete new Excel Spreadsheet (includes all updates)

There is an extensive list of tracts subject to AFE – many which were disclosed on the original list, many which have been added. Details related to specific AFEs are available upon request.
