Date: Monday, November 05, 2012 3:31:24 PM

On November 1, 2012 the Department released an updated November 6 auction list which showed tracts with drilling activity and tracts footnoted with wildlife designations. This update is to note that earlier today, the Department received AFEs related to the Angus 1-9H, 2-9H, and 3-9H wells on lease #12-01267 and lease #12-01268 (McKenzie County). The receipt of these AFEs will also be announced at tomorrow's auction.
