Subject: ND Dept. of Trust Lands Reminders

Reminder:

The deadline for nominating tracts for the May 5, 2015 oil and gas lease auction is March 20, 2015 at 5:00 PM CT.

Two leases are currently open for bid on EnergyNet. The auction will end promptly tomorrow (March 10, 2015) at 2:00 PM Central Time. Due to the auction ending promptly at 2:00 PM, it is advisable that you utilize the proxy bidding system.

OG-15-00249 T153N, R93W, Section 16: SE4, 80 net mineral acres
OG-15-00250 T153N, R93W, Section 16: SW4, 80 net mineral acres

As a reminder, a popular strategy in bidding online is waiting until the last possible second to bid, better known as sniping, works great when you are bidding on that old GI Joe, that your mother wouldn't let you have, it works horribly when bidding on oil and gas leases, do not try it!
