

ND State Land Department Application form for: Livestock Water Development Permits

Please fill in this application as completely as possible to reduce the possibility of delays in reviewing your application. When you submit this form, the information will be sent to the State Land Department and a copy will also be sent to your email address. Items marked with * are required.

Contact your local Soil/Water Conservation district office for technical planning assistance from Natural Resources Conservation Service (NRCS) personnel.

Click below for an example of a completed application for:

- [Dugout](#)
- [Well](#)
- [Pipeline](#)

1. Proposed water development (i.e. dugout, dugout cleanout, well, pipeline, spring development, dam, rural water pasture drop)

* Dugout

2. Legal Description and Proposed location for dugout, well, spring development, or dam

Describe the location to the quarter-quarter section (for example 'SE4 of NE4, 36-T160-R71 Rolette County')

* SE4NE4 Section 36, T139N, R80W, Burleigh County

3. Detailed description of proposed stock water development

(i.e. excavation yardage for dugouts; depth and casing diameter for wells; embankment and core excavation yardage for dams; length, burial depth, and pipe diameter for pipelines; cost estimate for spring developments and rural water pasture drops)

* Approximately 1,700 yards excavation. NRCS designed. Will fill from runoff

4. Is there currently a stock water development on this property?

Yes No

If yes, describe the type and condition of development

* Old and silted in. It is cheaper to dig a new one.

5. Will this project receive cost-share assistance from an agency other than the State Land Department (i.e. NRCS; USFWS; DU, etc.)?

Yes No

If yes, describe:

NRCS EOIP will pay 50%

6. When will the contractor/well driller start the work?

* In April

7. Applicant Contact Information

* First & Last Name Bill Williams
* Address 1 2222 Slippery Road
Address 2
* City Slick Rock
* State ND * Postal Code 58555
